About Us

US Cabinet Depot is a blend of cabinetry professionals from many different areas of the cabinet industry. This mix of knowledge and experience has allowed us to build a company that truly understands the needs of its customers. Our focus is on providing products that exceed our customers' expectations in quality, price and service.

QUALITY

Our products are designed to the highest standards in style and function. We start by selecting only high quality raw materials, hardware, adhesives, and finishes. This bundle of superior components is the first step to securing your long-term satisfaction.

The second step is a state of the art manufacturing process which ensures consistent production across the board. We have worked diligently to cut out waste and eliminate bottle necks. New manufacturing technologies are quickly implemented as they become available to the industry. The result is streamlined and efficient production costs which support a very competitive sales price for our products.

The last step is thorough inspections. Components are inspected for quality at the completion of each step of the manufacturing process. When the entire process is complete, each batch of products is compared with a control group to make sure it will match warehouse inventory perfectly. These quality standards were established so our customers have confidence in the consistent quality of our construction, color and finish.

SERVICE

We believe a product is only as good as the service that supports it. We spend a lot of time developing materials, processes and policies in order to make sure our customers are better served. The services we provide can be divided into three categories: supporting materials, order processing and customer service. Large strides have been made to ensure all of the pertinent information customers seek is readily available. Marketing materials are constantly being developed and distributed to help our customers educate their clientele. We understand that these are the sales tools required to successfully sell our products in your showrooms.

Our automated order processing system has allowed us to eliminate many unnecessary steps, significantly reducing our lead time. Orders placed online seamlessly flow through our inventory control and accounting systems.

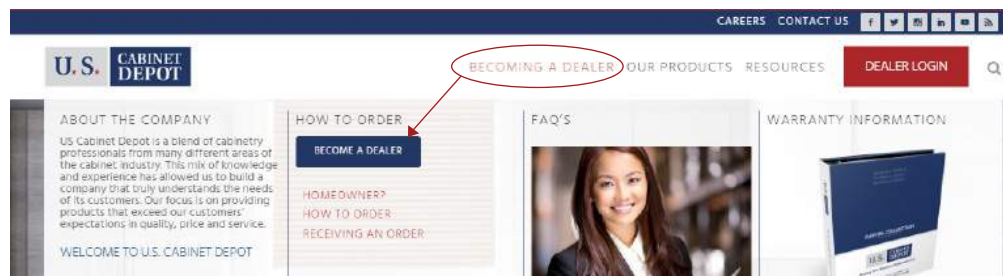

We have a great team of experienced cabinet professionals ready to hear your concerns and answer your questions. Most importantly we listen to the input our customers give us and make sure your suggestions are addressed as we continually seek ways to better serve you. The goal is to establish a mutually beneficial relationship in which we can grow our businesses around.

STEP 01

REGISTER TO BECOME A DEALER

Visit our website at www.uscabinetdepot.com

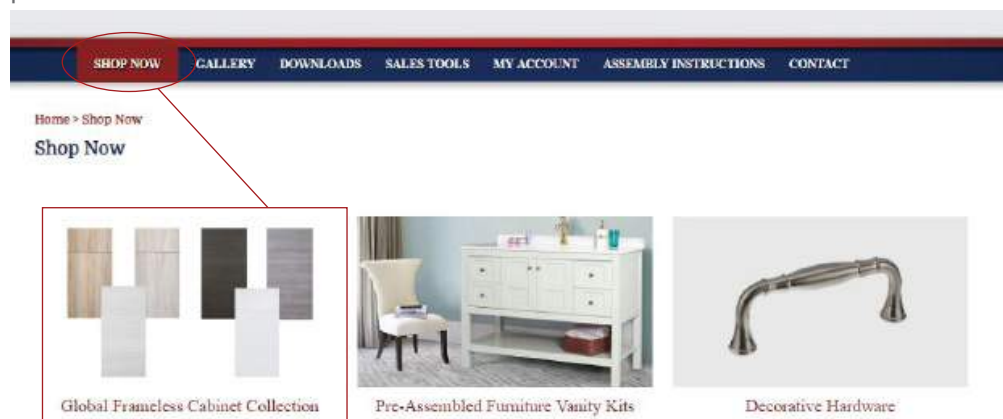

Click on the "Become A Dealer" Link and fill out the form with your business information. Once your application is received it will be reviewed and processed within 48 hours. During the review process your sales rep. will be assigned, your pricing will be established and your account will be activated.

STEP 02

CABINET STYLE SELECTION

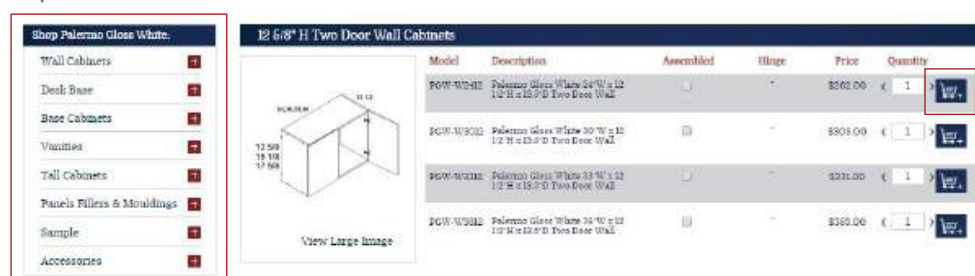

From the homepage, click on 'Shop Now' from the toolbar. Next, click on the collection you would like to shop. From there you can select your cabinet style preference.

STEP 03

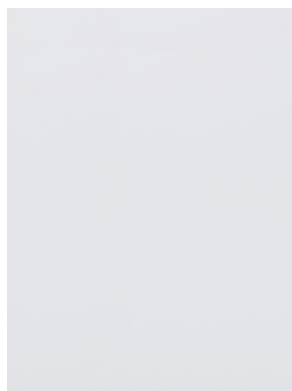

SELECT PRODUCTS TO ORDER

Add the desired products to your shopping cart. Start by sorting the items using the category buttons listed on the left-hand side of the page. Select your quantity and click the shopping cart to add to your order. Once you have added all your items, click the shopping cart button at the top right corner or bottom floating cart to proceed to checkout.

DISPLAY POLICY:

US Cabinet Depot is happy to partner with our displaying dealers. We now offer a 50% credit on US Cabinet Depot products that are ordered and installed in a dealer's showroom. Products can only be for display, not for functional use (desks, bathrooms, breakrooms, etc. are not eligible for rebate). Each dealer can earn up to a total of \$2,500 in credit per calendar year. The display items must be ordered online, paid in full and pictures of full showroom installation sent to info@uscabinetdepot.com before a credit can be released.

Terms & Conditions

ORDER PROCESSING & PAYMENT

- All order from US Cabinet Depot approved dealers will be accepted online only.
- Full payment is required before an order will be processed.(This includes backorders and approved written add-ons).
- Payment can be made by Credit Card, Debit Card or Paypal.
- Once the order is in process, no changes can be made. Additional items can be processed online as a new order.
- Frameless flat pack orders are processed in 3 full business days. Frameless assembled orders are processed in 5 full business days.
 - "Day one" starts on the NEXT full business day after the order is placed.
- Cancellations after the order is picked will be subject to a 10% processing fee.
- Cancellations after an order has shipped are subject to a 20% restocking/processing fee.
- RUSH ORDERS are not accepted for frameless orders.

ASSEMBLY & MODIFICATIONS

- Assembly is available for warehouse pick up and freight shipped orders for additional labor and shipping fees as calculated by the website.
- At this time, the only modification we offer for our Global Frameless Collection is decreased depth. Please contact us for more details.

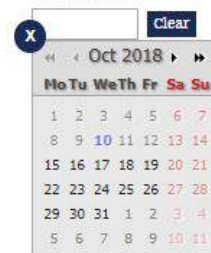

SHIPPING & DELIVERY

- All unassembled flat pack frameless orders will be ready to ship or pick up within 3 full business days.
- All assembled frameless orders will be ready for pickup within 7 full business days.
- All freight orders are packaged individual boxes, placed on a pallet, shrink wrapped and strapped.
- All freight LTL shipping charges are calculated online.
- US Cabinet Depot manages all shipping. Third party freight carriers cannot be sent by the dealer to pick up orders.

SHIPPING

- 2-5 business day standard transit time with LTL carriers. Please account for at least one extra day for residential and scheduled delivery appointments.
- Shipping charges must be paid for when your order is placed online. (Orders exceeding standard LTL sizes are subject to additional fees for Full Truckload shipping.)
- Orders cannot be held. However, you can select to ship at a later date during the checkout process Please see example image.
- You will receive a tracking number by email the day after the order has shipped.
- All destinations must be tractor/trailer accessible or Limited Access fees will be applied (\$100).
- For 'Residential Deliveries' and appointment deliveries, the freight company will contact you 24 hours in advance to schedule the delivery (usually a 3-4 hour window).
- Shipping charges cover ONE delivery attempt. The customer will be responsible for any additional shipping and handling charges for delivery failure due to customer circumstances.

Ship my order at a later date

DELIVERY POLICIES

- The driver is responsible for placing the pallet on the ground for deliveries that had liftgate services selected at the time of checkout.
- Address classifications are based on city zoning. Therefore, it is possible to have a commercial property in a residential area. In this case, the delivery would be considered residential and is subject to the 'Residential Delivery' fees and conditions.
- A responsible party must be present to inspect inventory of the shipment and sign off on the delivery.
 - It MUST be notated if the number of pallets being delivered does not match the number of pallets listed on the driver's BOL copy.
 - Careful inspection of packaging condition is vital to freight claims. Even if you are unsure if the contents inside contain damages due to the exterior condition, you MUST indicate damages on the BOL to be able to claim concealed damages in the future.
 - Do NOT reject damaged items. SEE IMPORTANT NOTES IN MISSING AND DAMAGED ITEMS SECTION TO FOLLOW.

PICK UP ORDERS

- Orders MUST be picked up within 5 business days of ready for pickup notification.
- Orders not picked up within 5 business days are subject to a storage fee of \$25 per pallet, per day.
- Orders not picked up within the allotted 10 business days will be returned to stock, incurring the storage fee and a 10% restocking fee that will be deducted from the total refund of the order.

MISSING OR DAMAGED ITEMS (INCLUDING CONCEALED DAMAGE)

- Freight claims for obvious damage or shortage can only be accepted when indicated on the BOL.
- Freight damage claims must be filed within 5 business days. No claims will be allowed without the proper paperwork.
- To file a claim for a damage or a shortage, please log into our website and use our claim module.
- All damages must be documented and reported upon opening the boxes.
- The following must be included to process the claim:
 - Order number
 - Buyer's name
 - Shipping address for replacements
 - Brief description of damage or shortage, including item numbers and/or parts
 - PICTURES of the damage and required
- Upon receipt of the damage claim, we will review the request within 48 business hours. Replacements will then be shipped out within 24-48 hours.
- Expedited shipping services are NOT available for replacements and/or parts.
- All damages must be documented and reported upon opening the boxes. Items that have been assembled or installed cannot be claimed as damaged.
- US Cabinet Depot cannot be held responsible for any labor costs accrued during the installation of any of its products sold via any of its channels of distribution. This includes, but is not limited to, items that may be flawed or have become damaged in transit.

Terms & Conditions-Continued

RETURNS & REPLACEMENTS

- All returns must be authorized by US Cabinet Depot prior to return shipment.
 - For authorization, please send an email request to: support@uscabinetdepot.com
- Returns must be received by US Cabinet Depot within 30 days of purchase.
- All items must be returned in original, unopened packaging. Therefore, NO RETURNS ON ASSEMBLED CABINETS.
- No returns on trims, mouldings, fillers, panels or sales tools.
- QUALIFYING returns will incur a 20% restocking/processing fee.
- The customer is responsible for setting up and covering all return shipments.
- Any returned product deemed unsellable WILL NOT RECEIVE CREDIT.

MARKETING POLICIES

- US Cabinet Depot cannot be held liable for applicable costs for marketing our products.
- Private labeling is done at the dealer's discretion.
- The use of any images and sales materials in your private label marketing can be released by emailing info@uscabinetdepot.com.

Frequently Asked Questions

CONSTRUCTION

- Are your products CARB2 certified?
Yes, all US Cabinet Depot products are 100% in compliance with CARB Phase 1 & CARB Phase 2 defined guidelines of composite wood products.
- Are your cabinets strong enough to support a granite top?
The construction of our cabinetry ensures the strength required to support granite, concrete and/or any other countertop material that you may select. No additional cabinet reinforcement is required.
- What type of materials are used in the construction of your frameless cabinets?
The Alpine Series frameless cabinet box is constructed using composite plywood and MDF panels. The engineered wood doors have a textured melamine or laminate finish.
- How is the interior of the cabinet finished?
Our Alpine Series cabinets feature a white and grey linen thermofused melamine interior.
- Is a finished panel required for exposed ends?
The Alpine Series features a standard white and grey linen thermofused melamine exterior, so panels are required to finish the exposed ends on a run.
- How much weight can your drawers hold?
Our Alpine Series 30" drawer boxes and below have a weight capacity of 88 lbs. The 30"+ drawer boxes have a weight capacity of 166 lbs.

ORDERING

- What forms of payment do you accept?
We accept all major credit cards (Visa, American Express, Mastercard & Discover) and PayPal.
- How can I check on the status of my order?
You can view the status of your orders by logging onto your account and selecting the 'My Account' page. From the left-hand menu options, select 'Frameless Orders'. The order status will be displayed, as well as tracking information for all fulfilled orders.
- Do you offer credit terms?
We currently do not offer credit terms to our customers. All orders must be paid in full prior to shipping.
- What is your return policy?
We do accept returns in certain circumstances. Please review the 'Returns and Replacements' section of our Terms and Conditions for details.

DELIVERY

- How do you ship your cabinetry?
Most orders will be shipped on a pallet via LTL (Less Than Truckload) common carrier. Orders less than 50 lbs may ship via UPS.
- How long will it take to receive my cabinets?
All flat pack orders are processed and shipped out of our facility within 3 full business days. Assembled orders are processed and shipped out of our facility within 6 full business days. Transit time to your location can vary from 1-6 business days depending on your location. Backorders are exempt from normal lead times.
- What if my delivery includes damaged cabinets?
Please notate any damages with the freight company on the BOL when accepting the delivery and take photos of the damaged items. Submit a claim online with the photos of the damages or send them immediately to support@uscabinetdepot.com. US Cabinet depot will review and replace damaged pieces in a timely manner.

Construction Notes

GLOBAL FRAMELESS COLLECTION

ALPINE SERIES

- Clean and contemporary frameless styling
- 18mm Plywood construction (CARB2 Compliant)
- Thermofused melamine surface inside and out

- Bases, tall and vanity cabinets use adjustable leveling feet
- All 23" high wall cabinets have one shelf
 - 30" & 35" have two shelves
 - 40" has 3 shelves

Warranty

LIMITED LIFETIME WARRANTY

Brothers Global Inc. warrants to the original consumer purchaser that US Cabinet Depot cabinetry, door hinges, and drawer glides will be free from defects in material and workmanship under normal use and service for the lifetime of the product (Proof of Purchase is required). This warranty is not transferable and only applicable to product used for residential purposes. Representatives of US Cabinet Depot do not have the authority to change or enlarge this warranty.

This warranty does not cover normal wear and tear, damage or defects caused by accidents, misuse, abuse, or lack of necessary maintenance; nor does it cover alteration, modification, improper installation, improper handling/storage, environmental conditions, nor any labor costs.

Brothers Global Inc., at our option, may elect to repair or replace with functionality equivalent product any US Cabinet Depot product covered by this warranty. Some replacement parts are subject to availability and may differ from original parts received. Return of defective product may be required for a replacement to be issued. Repair parts or replacement parts are at the expense of Brothers Global Inc., but customer shall bear all other expenses. These expenses may include, but are not limited to, cost of removal and reinstallation of product, labor, expenses, etc.

Just as no two trees are alike, no two pieces of wood are alike. The variation in color and grain pattern on wood adds to its natural beauty and is not considered an imperfection. Environmental factors, including but not limited to, artificial / natural light, moisture, cleaners, smoke, etc, may cause the darkening or mellowing of a cabinet over time. This is a natural process and can be expected. This warranty does not cover the natural aging or darkening / mellowing of wood color, the inherent growth characteristics of, or variation in wood.

Some of the cabinet lines feature a glazed finish which accentuates the door and drawer front profiles. This glaze is hand applied over a stain or paint and may, due to the nature of application, consist of random drips, runs, etc. As glazing is a hand applied process there will be variations in color and appearance from door to door and cabinet to cabinet. This is not considered a defect and is considered normal with hand applied finishes. It is the nature of wood to expand and contract to varying degrees depending on climate conditions. As a result, cabinet lines with painted surfaces may show fractures in the paint at joints. This is normal and is not considered a defect.

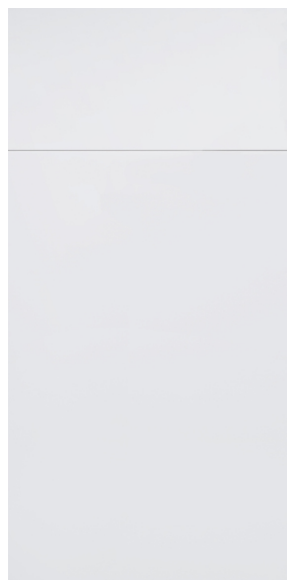

This warranty is valid only in the United States of America and Canada and is not transferable. All implied warranties are limited in duration to the shorter of the period provided by law or the period of this warranty. To the extent permitted by law, this warranty excludes special, incidental, or consequential damages. Some states do not allow the exclusion or limitations of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights; you may have other rights which vary from state to state. To exercise this warranty, please contact the US Cabinet Depot supplier from whom you purchased the product. Report, in writing, to support@uscabinetdepot.com all defects claimed and include proof of purchase documentation.
